SUMMARY

Currently pursuing a Ph.D. in Mathematics at NIT Delhi and qualified NET-JRF. Completed M.Sc. in Mathematics from Soban Singh Jeena University, Almora, with first division, and B.Sc. from Kumaun University, Nainital. My research interests lie in mathematical analysis and its applications, with a focus on developing a deeper understanding of theoretical concepts and advancing academic research in the field of mathematics..

EDUCATION

2025- present	PhD (Mathematics) at NIT Delhi	
2020 - 2022	Master Of Science at Soban Singh Jeena University,Almora	(Percentage: 78.53%)
2017-2020	Bachelor's Of Science at Kumaun University,Nainital	(Percentage: 67.90%)
2017	Class 12th UK Board	(Percentage: 81.00%)

SKILLS

- Mathematical Analysis
- Problem Solving
- Analytical Reasoning
- Numerical Methods
- Logical Thinking
- Python (NumPy, SciPy)
- Mathematical Modeling
- Time Management
- Team Collaboration
- Research and Academic Writing

ACHIEVEMENTS

- **Qualified National Eligibility Test (NET) with Junior Research Fellowship (JRF)**, 2025 – Conducted by UGC-CSIR, Government of India.
- **Pursuing Ph.D. in Mathematics** from National Institute of Technology (NIT) Delhi – Focused on Applied Mathematics and Theoretical Research.
- **Secured First Division** in M.Sc. Mathematics from Soban Singh Jeena University, Almora.
- **Completed B.Sc. in Mathematics** from Kumaun University, Nainital with strong academic performance.
- Actively participated in **workshops and seminars** on Advanced Mathematical Techniques and Research Methodology.
